

Typenübersicht und Bestellschlüssel

Type overview and order code

Bestellschlüssel
Order code

Beispiel / example

TAS 22 BG - 40 - IG/AG

Thermische Armaturensicherung TAS Thermally released shut off valve

Ausführungsvariante / version

IG/IG	= Innengewinde / Innengewinde = female / female
IG/AG	= Innengewinde / Außengewinde = female / male
AG/IG	= Außengewinde / Innengewinde = male / female
FL/FL	= Flansch- / Flanschanschluß = flange- / flange connection
KV/AG	= Konusverschraubung / Außengewinde = cone fitting / male thread
SV/AG	= Schneidringverschraubung / Außengewinde = cutting ring fitting / male thread

Nenndurchmesser / nominal diameter :

DN 10, DN 15, ... , DN 200

Produktgeneration/Bauzustand/Sonderbauformen

Product generation / Assembly status / Special design versions

MS	= Montageset für PN 16 Anwendung = mounting kit using for PN 16
BG	= Bio-, Klär-, und Deponiegas Ausführung = bio, digester and landfill gas version
SG	= Sondergewindeausführung = special thread version
ST	= Standardausführung = standard version

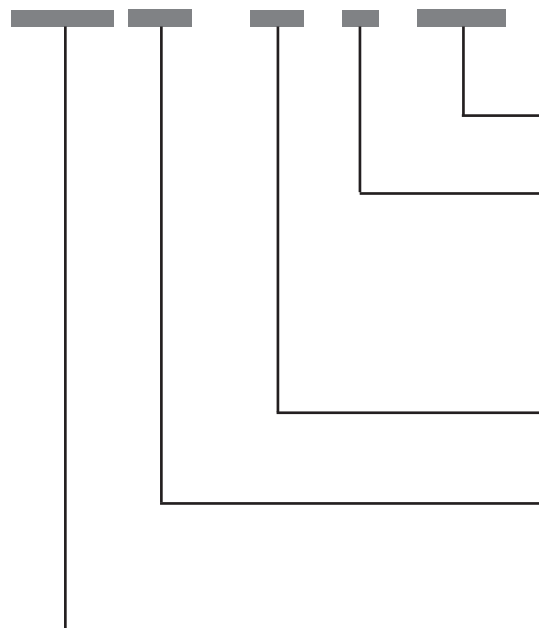

Typenreihe / model:

TAS21	= Thermische Armaturen-Sicherung von DN 15-25 = Thermally Released Shut Off Valve from DN 15-25
TAS22	= Thermische Armaturen-Sicherung von DN 32-50 = Thermally Released Shut Off Valve from DN 32-50
TAS23	= Thermische Armaturen-Sicherung von DN 65-200 = Thermally Released Shut Off Valve from DN 65-200

Produktbezeichnung: series

TAS	=Thermische Armaturen-Sicherung =Thermally Released Shut Off Valve
-----	---

GAH G2 - 15 - D / TAS

Gaskugelhähne mit TAS Gas Ball valves with TAS

TAS	=Thermische Armaturen-Sicherung =Thermally Released Shut Off Valve
-----	---

Ausführungsform / design type

D	= Durchgangsform /	straight type
E	= Eckform /	elbow type
D/EG	= Durchgang / Einrohr-Gaszähler/	straight type/single-pipe gas meter
E/EG	= Eckform / Einrohr-Gaszähler /	elbow type/single-pipe gas meter
E/ZG	= Eckform / Zweirohr-Gaszähler /	elbow type/Two-pipe gas meter
NS/IG	= Normsteckanschluß / Innengewinde /	standard plug-in connection female / thread

Nenndurchmesser / nominal diameter

DN10, DN50, ... ; DN50

Länge / length

500 mm.....2000mm

Produktkennzeichnung / product identification

R4 • RTD • G2

Produktbezeichnung / series

GSD	= Gas-Steckdose /	gas socket outlet
GSS	= GAS-Sicherheitsschlauch /	safety gas hose
GAH	= Gas-Anschlußhahn /	gas hook-up valve
GZH	= Gas-Zählerhahn /	gas meter valve
GKH	= Gas-Kugelhahn /	gas ball valve
